

**115-343**  
Top Attachment

**115-349**  
Bottom attachment

#### Kit includes:

- (1) Top bracket
- (1) Base bracket
- (2) 1/2" head bolts and fasteners
- (4) 5/8" mounting bolts and fasteners

TUF-TUG 115-343 bracket shown is load rated for 5000 lb. anchorage on older FWT monopoles with horizontal mount.

- Installation can be attached with 2" x 2" head adaptor up or down.
- Attach to structures with 5/8" HDG fasteners and torque to 60 ft.lbs. and mark fasteners.
- Connect TUF-TUG 115-302 cable and head assembly to adaptor with 1/2" HDG fasteners and torque to 40 ft.lbs. per monopole installation instructions
- Allow wire rope to hang freely.
- Finish cable safe climb installation per specific TUF-TUG monopole cable safe climb instructions.
- Complete with 115-349 base anchor as required and monopole base anchor components (not included in kit).
